

Let a real Harvard graduate and former applicant interviewer help your child get into a great and suitable school

The College 4 Us college admissions & counseling program includes:

- Basic evaluation & initial counseling
- Class selection & curriculum planning
- Creating opportunities and activities to make you look special
- Guidance on getting jobs & volunteer work
- Periodic follow-up counseling upon request, either in-person or via electronic communications
- Workshops or private lessons on topics such as writing, researching, and studying skills:
 - Understanding yourself
 - Effective habits for learning
 - How to manage time & space around you
 - How to take notes & read “pro-actively”
 - How to handle homework
 - How to think critically
 - Basic ideas about writing
 - How to do research & turn into a paper
 - How to present information
 - How to handle tests
 - How to best work in groups
 - Preparing for the college application
 - What colleges really look for?
 - Planning for extracurricular activities

For juniors and seniors, the optional college admissions support program includes everything above plus:

- An online application management system
- Assist with researching schools & majors
- Tips on getting recommendation letters
- Preparing personal statements
- Assisting with college application forms & financial aid forms
- Preparing for personal interviews
- Preparing wait-list response letters

Pricing

- High school & college application preparation/counseling fee (one-time): \$1,000 – can get full refund if requested by Sept. 30 of that year.
- Actual college application support for juniors and seniors: \$3,000 -- can receive 100% refund within seven days of signing up or by Sept. 30 of the junior year, or 50% refund if requested by Sept. 30 of the senior year
